ABOUT US

At The Georgian House we endeavour to make the most of our beautiful Alderney produce where possible and are proud to work with a handful of wonderful on-island suppliers. Our out-of-this-world beef and dairy from Kiln Farm; our pork from the Woodnutts and their happy Oxford Sandy and Black pigs, and seafood from the surrounding waters when available, with our lobster and crab being some of the most delicious and renowned in the UK. With such superb produce at our finger tips we can't resist packing our menu full of it and giving our customers a true taste of Alderney.
